VACANCY FOR A GENERAL SURGEON

We are looking for an experienced General Surgeon who is energetic, very flexible, passionate and eager to work in our facility for provision of high-quality medical care.

Main duties are performing surgical procedures to address various medical needs for patients. Examine patients and make diagnoses to determine any need for surgery. Review patient medical history and plan the best procedure for treatment.

The General Surgeon ensures comprehensive patient care before, during, and after surgery.

Perform endoscopy procedures.

Minimum Qualifications:

- Master of Medicine (MMed) in Surgery
- Valid practicing license
- At least two years working experiences
- Any other professional certification shall be advantageous
- Excellent communication and interpersonal skills
- Recommending patients for further treatments and to other specialists when warranted
- Good organizational, leadership, teamworking and problem-solving skills

Interested candidates who meet our requirements may apply through below emails from 01-April-2026 up to 10-April-2026

Each application should attach a detailed CV, copies of all academic certificates, valid license, application letter and any other documents seem necessary.
